UI/UX & Design Trends

PROFILE

Motivated Frontend Developer with a solid foundation in HTML5, CSS3 and JavaScript. Passionate about building interactive, accessible, and responsive user interfaces. Proven ability to translate design concepts into clean functional code through personal projects and hands-on practice. Eager to bring fresh ideas, problem-solving skills, and a strong learning mindset to a collaborative development team.

PROJECTS

Personal Portfolio Website | 2025

- Built a fully responsive personal portfolio website using HTML5, CSS3, JavaScript, and Bootstrap.
- Integrated smooth scrolling, interactive dynamic forms, and a modern light/dark mode feature.
- Performed cross-browser testing to ensure optimal performance across both mobile and desktop devices.

E-Commerce Product Page | 2025

- Designed a clean user interface featuring a product grid and interactive "Add to Cart" functionality.
- Implemented live price calculations and search filtering using modern JavaScript (ES6+).
- Converted Figma design files into clean, pixel-perfect, and maintainable code.
